

MARIPOSA ARRIVES.

SHIP REAPER AND SCHOONER
TRANSIT IN PORT.

Markentine Castle Departs For the
"Frisco Refinery" Steamer Kea-
hou's Fast Trip to Lahaina.

Tomorrow, Friday—high tide large at
0:48 a.m.; high tide small at 11:47 p.m.; low tide
large at 6:40 p.m.; low tide small at 8:22 a.m.

The barkentine S. N. Castle sailed for San
Francisco this morning with 837 tons of sugar
consigned by the Spreckels Company.

The American ship Reaper after a long
passage from the Columbia river arrived in
port this afternoon. She will load sugar for
New York.

The American schooner Transit, Forgeson
master, 16 days from "Frisco" with general
merchandise for Davies & Company arrived
this morning and docked at Irmgard wharf.

The steamer Mikahala came in this
morning with a load of Koloa and Lihue sugar and
returned to Kailua this afternoon. She will
be back on schedule time Sunday morning.

Mathematical calculations show that an
iron ship weighs 27 per cent less than a wood-
en one, and will carry 115 tons of cargo for
every 100 tons carried by a wooden ship of the
same dimensions, and both loaded to the
same draught of water.

Experiments on the coast of England lately
showed that sky-flashing signals were often
visible during fog when nothing could be
seen toward the horizon and vessels were
invisible within sound of their machinery.
This is an argument for sky flashes from
lighthouses.

The Philadelphia correspondent of the
Marine Journal, in its last issue, says: The
British ship Liverpool sailed from Point
Breeze for Japan a few days ago with 137,000
cases of refined petroleum. In her hold, the
largest cargo of oil ever loaded by the Stan-
dard Oil or any other company.

The liner Mariposa, commander Hayward,
docked at Ocean wharf at seven o'clock this
morning, eight days from Apia, Samoa, en-
route to San Francisco. She had on a small
cargo and six passengers for this port. Fine
weather is reported the entire voyage. The
Mariposa left at noon for the coast.

The steamer Keahou came in with a load
of Pioneer Mill sugar from Lahaina for the
Hackfeld Company early this morning. The
Keahou had the Claudine's time to Lahaina
being 6 hours and 35 minutes on the way.
The Keahou took over 100 feet of lumber
and three boat loads of merchandise and
loaded 1000 sacks of sugar and was back at
Fort street wharf in 20 hours and 10 minutes
from the time she left yesterday.

TO ALL WHO USE PAINT:

The undersigned, L. C. Ables and H. P. Walton, purchased from Charles J. Wagner,
the inventor of Peerless Preserving Paint, the exclusive right to manufacture, use
and sell the PEERLESS PRESERVING PAINT in the Hawaiian Islands.

Patent for Peerless Preserving Paint.

On the 26th day of September, 1895, the Republic of Hawaii granted to L. C. Ables
and H. P. Walton, a patent No. 110, granting them the exclusive right to make, use and
vend PEERLESS PRESERVING PAINT throughout the Hawaiian Islands.

Trade Mark for Peerless Preserving Paint.

The Republic of Hawaii has also granted to L. C. Ables and H. P. Walton the exclu-
sive use of the words PEERLESS PRESERVING PAINT as a trade mark throughout the Re-
public of Hawaii for the term of 20 years.

Imitation.

Certain parties in San Francisco have recently been sending to Honolulu under the
name of PEERLESS PRESERVING PAINT a spurious article not only inferior to the genuine
paint, but one which is positively injurious to any metal to which it may be applied.

Beware of Fraud.

We hereby warn all persons against being defrauded into using any but the genuine
PEERLESS PRESERVING PAINT, which can be obtained only of Ables and Walton.

Warning Against Infringement.

We also hereby warn all persons against buying, selling or using any article under
the name of PEERLESS PRESERVING PAINT, except that sold by us, as such buying, selling
or using will be a direct infringement of our patent and trade mark, and a violation
of our rights, subjecting the persons buying, selling or using such paint to a claim for
damages by us in accordance with the Hawaiian Law.
